**BOARD OF MISSIONS**

## Report No. 1.

1. The Mission Board decided to request the Conference by formal vote to order that all money collected by the brethren for missions be sent direct to the Conference Treasurer and that all appropriations to charges and districts be paid directly by the Treasurer.

2. Our Conference Evangelist, Rev. J. E. Alexander, reports fourteen meetings held, resulting in 125 conversions and 125 additions to our Church, and \$671 raised for the Board. The Board commends the good and faithful work of our evangelist. His work for the year received the hearty and unanimous approval of the Board, but on account of other important enterprises that are demanding our immediate attention, we do not deem it wise to put an evangelist in the field for the coming year.

## Report No. 2.

1. Realizing that the lack of a deeper interest in the cause of missions on the part of a great number of our people is due to a lack of information, we would urge that the preachers make a determined effort to put the "Go Forward" in every home in our membership.

2. In view of the fact that our collections are very much decreased by an early session of the conference, we desire to submit the following resolution: Resolved, That we respectfully request the Bishops not to set the date for our annual session earlier than September 15.

3. We approve the plan of the General Secretaries for the Midwinter Institute of the Methodist Training School at Nashville from January 1 to January 10, and at their request nominate five delegates to this Institute—H. D. Huffine, W. W. Alexander, Edgar I. Ailor, Ernest Sullens and J. D. Randolph.

4. Resolved, That we hail with delight the coming of that strong band of fellow-workers in the cause of missions known as the Laymen's Movement. We believe it

is of God, and we pledge to the brethren of this movement our hearty co-operation in all their plans where they may think we can be of service to them. We heartily commend the selection made by the laymen of the Hon. Perry S. Rader as Conference Lay Leader, and open to him our pulpits for any presentation of this cause that he may desire.

W. T. McClure, President.

F. M. Burton, Secretary.

## SUNDAY SCHOOLS

The Sunday School Board of the Southwest Missouri Conference begs leave to submit the following report:

The report of the Sunday School Editor indicates decided progress in the general work and outlines plans and suggestions which will advance the Sunday School interests more and more. The efforts that Dr. Chappell have put forth to improve our literature and make more perfect the organizations have been remarkably successful. With such men as Drs. Chappell and Hamill directing our Sunday School work our Church is taking its place in the front rank of Sunday School affairs. We especially recommend Dr. Hamill's Teachers' Training Course to all our workers, and take pleasure in announcing that Dr. Hamill will be with us in institute work the coming year.

2. The success of the organized class work has been so great the movement has become widespread. The efficiency of the plan highly commends itself to our Sunday School workers.

3. We note with pleasure the growing spirit of our Sunday School work to become self-sustaining, and are glad to report a goodly sum for the endowment of our Chair of Pedagogy at Vanderbilt.

4. We urge every Sunday School to meet the disciplinary requirements by giving systematically to missions observing Children's Day and Decision Day, and using our own literature as far as practicable.

JOHN F. CASKEY, President.

HARRY G. HENLEY, Secretary.

## EPWORTH LEAGUE

We, the Conference Epworth League Board, are rejoiced to learn of the success of the Epworth League throughout the Church. We now have 127,924 Epworth Leaguers, and the contributions for the past year aggregate \$140,000.00.

We also rejoice in the great success of the Missouri State League, and regard this movement of great worth in the training of our young people for larger service.

We call attention to the fact that in every district there are charges without Leagues—Kansas City District 3, Lexington 5, Marshall 6, Nevada 3, Carthage 11, Springfield 7, Western 4—39 charges in the Conference without a League. It ought not so to be. We believe there should be a League in every Church in the Conference.

S. P. CAYTON, Chairman.

J. B. SWINNEY, Secretary.

## SABBATH OBSERVANCE

Your Committee on Sabbath Observance reports that, in its judgment, among the many vital questions with which we, as a Christian body, must necessarily have to do, few, if any, are of more wide-reaching interest than that of a healthful and Biblical observance of the Sabbath.

In connection with this divinely appointed institution the church is charged with a responsibility of such magnitude as to carry with it the deepest convictions concerning its proper observance by Christian people and the due enforcement of its claims concerning all men.

We are in hearty sympathy with the claims and pleadings of the church that all that God has done for or appointed to man is for both his temporal and spiritual good.

Primarily there is nothing in the life of a man that has to do more directly with his temporal and spiritual welfare than the institution and proper observance of the Sabbath. The setting apart of one day in seven as a sacred day unto the Lord fixes in his thought the idea of a supreme authority; awakens within him an appreciation of his own needs, and furnishes him an opportunity for reflection and meditation.

The Sabbath and synagogue were the shibboleth of the Israelite. The Sabbath, with our churches and ministry and the coming together of the people, constitute our points of departure. It is in the right use of these as an evangelical basis that we project all of the active agencies for the conquest of this world for our Christ.

The large influx of people to our country from lands where Sabbath observance is at low tide greatly complicates the situation, especially in our larger towns and cities, and makes it more imperative upon the church to speak out with emphasis upon the subject. Of course, we deplore what we see and know of Sabbath desecration, and also that other fact—the practical ignoring of the restraints fixed by statute. We are likewise pained that in some localities our own people attend the Sunday baseball and other places of amusement.

We recommend that our pastors preach at least one sermon in each of their congregations the coming year upon the subject of the Christian Sabbath, emphasizing the importance of the proper observance of this fundamental institution of our Christian civilization, recommending to our people in every place the need of a proper example upon their part.

We heartily commend the good services of some of our state officials in their efficient efforts to enforce the statutory provisions for the due observance and maintenance of our Christian Sabbath.

J. B. ELLIS,  
T. D. PAYNE.

## EDUCATION

We rejoice in the forward movement in the educational work of our Church as indicated by the larger liberality of our people in every section of our country.

The report of the Secretary of the General Board was before us, and we are pleased to note that the educational policy of the Church is receiving substantial endorsement from the entire Church.

The Secretary of the General Board is untiring in his efforts, and should have the co-operation of the whole Church.

### CENTRAL COLLEGE.

The report from this our first college in the state, fulfills the prophecy of one year ago, when the new President entered upon his work.

President Webb has put into the work of the past year the strength and personality of his splendid Christian manhood. This, with the work of the excellent faculty, could hardly fail of large success.

At the meeting of the Board of Curators in June, Judge John A. Rich, of our own Conference, was elected to succeed Bishop Hendrix as President of the Board.

We rejoice that one so eminently qualified has been called to this office of honor and responsibility, and feel that it means still larger success for Central.

Rev. B. D. Sipple, for many years President of the Alumni Association, was elected Agent for Central College, and will devote his entire time to the interests of the college.

There are difficulties that must be mastered, but there is not a discouraging note in the report of President Webb.

We recommend the election of Dr. W. B. Palmore and Judge J. A. Rich and Hon.

J. D. Lindsay, Clinton, 1907 to 1911, Hon. W. C. Scarritt, Kansas City, 1907 to 1911, members of the Board of Curators.

We recommend an assessment of one thousand dollars (\$1,000.00) for Central College.

#### MORRISVILLE COLLEGE.

The report from the President, Dr. A. H. Godbey, and also from the Board of Curators, indicates some substantial progress, notwithstanding the exceptional difficulties that have prevailed throughout the year.

There has been an increase in the students doing college work, and a corresponding elimination of those below the academic grade.

This institution holds an important place in our Missouri Methodism, and we trust the time is at hand when the college may be put upon a foundation necessary for success.

The report of the Agent, Dr. Early, is very gratifying, in that his labors promise permanent results in substantial endowment.

We recommend the appointment of Dr. A. H. Godbey as President, and that an assessment of \$1,500.00 be made for the college work.

We recommend the appointment of M. M. Sooter as a student in Morrisville College.

#### CORRESPONDENCE SCHOOL.

We are pleased to note the continued success of the Correspondence School. The enrollment for the current year shows an increase of nearly 50 per cent over that of last year.

We would urge all of our young men to take advantage of the opportunity offered in taking the correspondence work.

The Board requests that all applications for aid in taking this work shall be endorsed by the Presiding Elder of the applicant.

#### CENTRAL COLLEGE FOR WOMEN.

There is no institution of our Church that has greater possibilities than has Central College for Women, Lexington, Mo. With her faculty, her great buildings valued at more than \$150,000, her splendid campus of forty acres, and her admirable location, she has the foundation of a really great college. By every token she ought to be made to rank with the leading women's colleges in the East. Missouri Methodism needs such an institution and is able to equip it for this higher work. We are pleased to know that the course of study has been enlarged so as to make it cover the same ground as that covered by our best colleges for young men. We believe the time has come when this school should be endowed so that the same opportunities may be offered our girls here as are now offered our young men at Central College.

The fall term opens the 16th, and from present indications the college will be crowded with pupils.

We feel that the Board of Curators and patrons are to be congratulated in having Rev. G. M. Gibson and his accomplished and cultured wife, in charge of the college, and are confident their presence means larger success.

#### CURATORS.

We recommend the election of Dr. W. B. Palmore, Dr. C. W. Moore, Rev. J. E. McDonald, J. F. Grover, Esq., and L. D. Murrell, Esq., members of the Board of Curators of Central College for Women.

#### STUDENTS.

We recommend the appointment of W. M. Smith, E. H. Orear and J. B. Swinney students in Vanderbilt University.

#### SECRETARY OF EDUCATION.

We recommend the appointment of C. E. Pattillo Conference Secretary of Education.

#### PREACHERS' INSTITUTE.

Realizing the value of the Preachers' Institute at Fayette, Mo., in furthering the

interests of a more efficient ministry, we, the Board of Education, recommend an appropriation of \$300.00 to that end.

## SCARRITT COLLEGIATE INSTITUTE.

Whereas, The Curators of Scarritt Collegiate Institute and Morrisville College request permission of the Conference to unite and merge these institutions, setting forth in detail the reasons therefor; and

Whereas, We are satisfied that the best results in the direction of our educational interests will be subserved thereby; therefore,

Resolved, That we hereby direct the Board of Curators and Trustees of Scarritt Collegiate Institute to dispose of all properties, real and personal, belonging to that institution, save and except such furniture, apparatus, library, etc., etc., as can be removed to and used by Morrisville College, and that the proceeds thereof be transferred to the Scarritt-Morrisville College through its duly constituted authorities.

With reference to the Hall Memorial Endowment, the purpose of this endowment having failed of accomplishment, it is our desire, under all the circumstances, that this be returned to the Hall estate, all legal proprieties and conditions being duly observed.

## BOOKS AND PERIODICALS

We, your Committee on Books and Periodicals, submit the following:

## THE ST. LOUIS CHRISTIAN ADVOCATE.

We regard the *St. Louis Christian Advocate* as one of the most important publications of our church. This paper has long been a blessing to Southern Methodism in Missouri and worthily deserves the love and support of all our people. In its mechanical makeup it is second to none. Its editorials and general contents from week to week are of the highest order. Therefore, we commend it to our people and endorse it as the Conference organ of our church. We rejoice to commend it without stint to our people, and heartily endorse the plan of its manager, Dr. W. B. Palmore, to put the paper in every home in its territory. We also recommend the appointment of Dr. W. B. Palmore as editor-in-chief and Dr. C. C. Woods as his assistant.

## THE NASHVILLE CHRISTIAN ADVOCATE.

*The Nashville Christian Advocate* is the general organ of our church, and as such should have our faithful support. The editors and book agents are giving us truly a great paper, and it is our loss as a church that it has not a larger circulation.

## GENERAL PUBLICATIONS.

Our *Epworth Era* continues to grow in favor with our young people, and its use in our Leagues should be encouraged.

Our missionary periodical, *Go Forward*, is a most excellent production, filling a long-felt want in the literature of our church, and should be in the hands of all our people, especially our Leaguers.

We regard the *Methodist Review* as one of the most important publications in our church, occupying, as it does, a field distinct from that of any other periodical, containing the mature thought of our great thinkers upon the vital questions before our church.

## THE SUNDAY SCHOOL LITERATURE.

Our Sunday School literature is equal to the best. Our *Teachers' Magazine*, Senior and Intermediate Quarterlies are keeping pace with the advance thought of Bible study.

*The Visitor* is an excellent periodical for our young people, and our new publications, *The Adult Student*, *Primary Teachers' Magazine* and *Junior Quarterlies* are filling a long-felt need in our graded Sunday schools.

We commend Dr. E. B. Chappell and his able assistants for their untiring energies in this noble work.

## PUBLISHING HOUSE.

We rejoice in the fact that our Publishing House has closed another prosperous year. We would kindly suggest again that the house be more prompt in filling orders, especially the Sunday school literature.

O. M. RICKMAN, Chairman.  
D. L. WEEMS, Secretary.

## AMERICAN BIBLE SOCIETY

Your Committee for the American Bible Society has had no communication from the Society this year, hence have no authoritative statement as to the present condition of the Society.

Our church is committed to the support of this organization. The collection for the current year is \$343.60, \$46.99 over last year. We are gratified to see this increased interest, but note that seventy charges report collections, while sixty-one overlook this vital interest of the church. By districts this claim stands as follows:

Kansas City District—24 charges; 18 took collections, 6 took no collection.

Lexington District—20 charges; 13 took collections, 7 took no collection.

Marshall District—19 charges; 10 took collections, 9 took no collection.

Nevada District—21 charges; 12 took collections, 9 took no collection.

Carthage District—24 charges; 8 took collections, 16 took no collection.

Springfield District—23 charges; 9 took collections, 14 took no collection.

Western District—20 charges; 7 took collections, 13 took no collection.

We earnestly desire an offering for this fund next year from every charge in the Conference.

Respectfully submitted,

U. V. WYATT,  
JAMES J. HILL.

## DISTRICT CONFERENCE JOURNALS

We, your committee appointed to examine the District Conference Journals, beg leave to report that we have carefully examined the Kansas City, Lexington, Marshall, Nevada and Carthage District Journals and have found that they have been well and neatly kept. No Journals from the Springfield and Western Districts have reached our hands.

L. OREAR, Chairman.

## CONFERENCE RELATIONS

We, your Committee on Conference Relations, report as follows:

We recommend for the superannuated relation M. Atkinson, J. W. Bond, W. F. Gill, J. B. Landrith, W. D. Steward, W. S. Woodard, J. Tillery, W. L. McGuire, J. A. Mathews, M. Bahrenburg, J. P. Caldwell, J. L. Hagler, J. G. F. Mitchell, J. C. Shackelford, L. H. Vandiver, J. T. Loyal, A. L. Houston, J. L. D. Blevans, W. T. Eastwood, Joseph King, W. M. McAllister, J. Spencer, H. D. Hogan, C. W. Thorp,

A. G. Moore, W. K. White and Perry Long; and for the supernumerary relation C. W. Scarritt, J. M. Clark, W. F. Briggs, T. M. Cobb, T. P. Cobb, S. O. Brooks and J. B. Ellis.

S. G. WELBORN, Chairman.  
J. J. KELLAR, Secretary.

## TEMPERANCE

Beloved, the Church of God, the saloon is of the devil. This difference in origin is the measure of their uncompromising warfare. No Methodist preacher whose heart is clean and whose head is clear will hesitate for a single moment to declare and prove himself, even to the point of courting personal unpopularity, an unflinching foe to this hell-gate of American society. It is wrong to use intoxicating liquor as a beverage; it is wrong to sell it; it is wrong to license it. From distiller to drunkard it is a curse; from barley to barkeeper it is the most fruitful source and cause of crime. Our business just now should be to tear down the bars; bars to the progress of the Church of Christ, bars to Christian civilization, bars to Christian education, bars to every noble aspiration and manly impulse, bars to respectability and upright integrity, bars to health, home, honesty, happiness and heaven. No decent, self-respecting man, whether he be in pulpit or pew, can consistently strike hands with the dirty advocates of this horrible crime at any turn in its vile and filthy alley of misery, wretchedness, want, nakedness, starvation, destruction, damnation, death. While we may use every human agency in the fight for social purgation and civic cleansing, our powerful weapons of warfare must be the sword of the Spirit and the breastplate of righteousness.

We heartily endorse every individual, association, society and league which solely, unselfishly and legitimately labors to encourage the practice of total abstinence and to suppress the liquor traffic. Let us fight the enemy and not war among ourselves. Our Father worketh even until now, and we must work. Only a persistent, concerted effort in agitation and education will arouse and energize thoughtful people to action. Our laws are confused, our courts are perplexed, our country's authority is confessedly weak. We can safely depend on the growing power of a quickened conscience, on the inspiration of sacred duty to home and humanity, on the all-conquering influence of God's eternal truth and right.

Let us make good our wholesome resolutions by a better and braver activity, public and private, in pulpit and pew. We pledge ourselves to preach against it, to teach against it, to talk against it, to vote against it, and in every way, join in mortal combat with this gigantic anti-Christ. We endorse the general work of the Anti-Saloon League as the most efficient organization available, and pledge ourselves to work with it in this important cause. We recommend that at least one sermon be preached in every charge on the theme of the liquor traffic, if practicable, upon the Sunday set apart as Temperance Sunday by the National Temperance Association.

W. H. WINTON, Chairman.  
J. T. PRITCHETT, Secretary.

## THE METHODIST BENEVOLENT ASSOCIATION

The Board of Directors of the Methodist Benevolent Association and the Preachers' Aid Society submit the following joint report:

The fiscal year closing September 3rd, 1908, the permanent fund of the Methodist Benevolent Association amounted to \$16,200, and that of the Preachers' Aid Society to \$4,192.30, making our total productive fund \$20,392.30.

The Treasurer turned over to the Joint Board of Finance for the past year the interest on the permanent fund in the Methodist Benevolent Association to the amount of \$990.17, and from the Preachers' Aid Society interest to the amount of \$208.65, making a total of \$1,192.82.

Officers were elected for the ensuing Conference year as follows: Methodist Benevolent Association—W. C. Scarritt, President; F. M. Burton, Vice-President; Frank S. Groves, Treasurer; J. E. Alexander, Secretary. The other members of the Board are Dr. C. H. Briggs, Judge John A. Rich and Hon. P. S. Rader.

For the Preachers' Aid Society the officers are as follows: President, H. D. Hogan; Vice-President, J. W. Payne; Treasurer, Frank S. Groves, Secretary, J. E. Alexander. These, with A. G. Campbell, constitute the Board of Managers.

J. E. ALEXANDER, Secretary.

## RESOLUTIONS

### MEMOIRS.

The Committee on Memoirs offers the following resolutions for your adoption:  
First, That hereafter the committee shall be appointed for four years, and that the chairman thereof shall be the custodian of our Book of Memoirs, keep it posted, have it at Conference, and gather during the year such other data of those who die as may be helpful to perfect their memoirs.

Second, That our standing rule, making the administration of the Lord's Supper a part of the memorial service, be repealed.

Third, That this committee be composed of men not on Conference boards or other committees.  
W. S. WOODARD.

### VETERAN MISSOURI METHODIST PREACHERS' ASSOCIATION.

The Veteran Missouri Methodist Preachers' Association held its eighth annual session September 2, at 2:30 p. m., with President W. F. Bell in the chair.

Devotional services were conducted by D. R. Shackelford. The Secretary read his annual report. Seven new names had been enrolled and three had died.

The sum of \$619.60 was contributed to Central College to the memory of Dr. McAnally. An oil painting, life size, of Rev. G. M. Winton is to be unveiled in Morrisville College, September 9, 1908. The cost of \$200 is provided for.

W. W. Pinson and J. O. Foresman addressed the meeting.

Resolutions were adopted making the wives of members and the widows of deceased members honorary members, and looking to the finding and marking of the graves of deceased preachers. A committee of three, namely, D. R. Shackelford, for the Missouri Conference; W. H. Winton, for the Southwest Missouri Conference, and L. F. Aspley, for the St. Louis Conference, was appointed to do this work.

W. S. WOODARD.

### WINTON MONUMENT.

The Veteran Missouri Methodist Preachers' Association, at its centennial meeting in 1906, voted memorials to D. R. McAnally, J. C. Berryman and G. M. Winton, to be placed in Central College, Marvin Collegiate Institute and Morrisville College. A bronze tablet, properly inscribed, was unveiled in Central College, November 9, 1907, to the memory of Dr. McAnally.

The Association, at its meeting in 1907, appointed J. Spencer, J. C. Shackelford and W. S. Woodard a committee to take charge of the Winton memorial. This committee requested the Southwest Missouri Conference to join in the enterprise, which the Conference did and appointed L. D. Payne, W. P. Brickner, G. M. Jones and S. E. Scroggins to co-operate with said committee. These two committees united in one and elected Captain G. M. Jones chairman and W. S. Woodard secretary. After interchanging views, this joint committee requested the chairman to ascertain the cost of a bronze bust and the secretary to ascertain the cost of an oil painting. The outcome of the correspondence was that Dr. J. L. D. Blevans was engaged to make an oil painting, life size, of Brother Winton, for which he was to be paid \$200, he donating \$15 of that amount. The balance of \$185 was distributed over the Conference and the seven committeemen appointed to collect the same. The picture has been made and will be, D. V., unveiled in Morrisville College, September 9, 1908.

It was the plan of the committee to collect books for the College library as a part of the memorial. In this it has had but limited success. The entire cost of the portrait has been provided.

The names of all who contributed money or books to the enterprise will be recorded in a book in which a sketch of his life will be written by the secretary, and kept with the picture in the College.

W. S. WOODARD, Secretary.

### RESOLUTION OF THANKS.

Resolved, That we tender our sincere thanks to the people of Warrensburg for their cordial hospitality in entertaining the Conference; to Rev. G. J. Warren, Rev. W. H. Comer and the Committee on Entertainment and Program for their valued services; to the local churches and their pastors; to Dr. Fillett for his excellent lecture course, and to the banks and newspapers for courtesies extended.

A. H. GODBEY, *et al.*

### SERMON TO UNDERGRADUATES.

Rev. W. C. Hill has been selected by a committee to preach to the undergraduates next year.  
BY COMMITTEE.

## MEMOIRS

REV. L. M. PHILLIPS.

Rev. Lamartine Murat Phillips was born near Rocheport, Boone County, Mo., May 6, 1852, and died at the University Hospital in Kansas City, Saturday, January 11, 1908.

His parents were Rev. Preston and Mary P. Phillips, for a long time residing at Sedalia, Mo., where their unflinching kindness to the passing pilgrim and their high qualities of mind and heart gave them distinction and honor. Their loyalty to the Methodism of the South was touching in its devotedness, since they spared neither themselves nor their means in their zeal to build up the Kingdom of the Master.

Their son Lamartine was a student at Randolph-Macon, and also at Central College, for some time. His mind was of a high order, and his extensive reading gave him a wide range of thought and knowledge. But his trend was ever toward the doctrine and philosophy of Christianity, and hence he was stronger as a theologian, while inferior nowhere. He was universally recognized as a great preacher. But, while always strong in the pulpit, he was yet more remarkable for his personal consecration. We have never known a man so patient in adversity and poverty—so self-sacrificing and so wonderfully conscientious in his regard for what he deemed right.

He had been a sufferer from childhood—almost never well; and the hardships and labor involved in his ministerial life no doubt intensified the conditions which brought him to the grave, when seemingly he should have been in the strength of middle manhood. As he approached the end his suffering became intense, yet he murmured not, but rejoicing to suffer, as well as to do, the Master's will, he "endured as seeing Him who is invisible," and fell asleep, at last, without pain or fear, to awaken in the land where poverty, heartache and tears are unknown.

The funeral services were held at the Cleveland Avenue Church by Rev. L. P. Norfleet, his brother-in-law, assisted by Rev. A. L. Marshall and Rev. John Coontz, Sunday, January 12th, and the sacred remains were deposited in Mt. Washington Cemetery to await the resurrection of the just.

The Christian lady who has so patiently shared with him the trials and privations of the itinerant life and has so loyally and lovingly stood by him to the last, with the daughters who in the same spirit have loved and labored, will have the tender sympathy of a great multitude within and without the church who know of their history and their bereavement.

C. C. W.

REV. W. B. MORGAN.

W. B. Morgan: What associations are linked with this name! So full of life, so attractive in his bearing, so humble and devoutly religious was he that for years he drew more people to Christ than any other one man in the Southwest Missouri Conference. He was called to preach! From the day he was admitted into the conference to his dying hour his all-absorbing thought was the salvation of souls. He literally wore himself out in this most glorious calling. He knew men. Men knew him to be a true man. He had his peculiarities, but he reached the people. He was as universally loved as any man in our conference. He was above the average in common sense. We say had he enjoyed the opportunity of some men as to training and education he would have been great. Morgan was great. His first thought was, after reaching the Springfield Hospital, "I wonder how many unsaved sick are here?" He went from room to room talking Christ to all the patients. In the room adjacent to the one in which he died was a wicked man, now well, but soundly converted through Morgan's efforts. He was his own evangelist. He led a thousand to a religious experience. He did his work hurriedly, preferring not to stay at any one place more than one or two years.

After several years of railroading in his early life he happened to be in some half dozen wrecks, all in less than one month, the last of which very nearly ended his life. Quoting his own words, he said: "Strange to say, in every wreck that Still Small Voice would say, 'Go preach,' while I was still a wicked sinner." He then came to Springfield, Mo., where, he said, "Like the prodigal son, I came to myself and began to seek the pearl of great price. For several weeks I was in a spirit of prayer, when, in an old house, on Phelps avenue, the burden of my heart rolled away and light flashed across my benighted soul." On the first day of January, 1889, he was licensed to preach at a quarterly conference held in St. Paul's Church, by L. W. Pearce. "On March 25," he said, "I tried to preach my first sermon, from Esther 4:16:

"And so I go unto the King, which is not according to the law, and if I perish, I perish." He said, "Of course, I perished, but by the grace of God I came again."

He was junior preacher on the Springfield Circuit, J. W. Bond, pastor. Brother Morgan served his conference faithfully from 1890 until he was called from his labors. When he died, January 16, 1908, at Springfield Hospital in a room furnished by St. Paul's Church he was fifty-three years old; born in Meade county, Ky.; the son of William and Elizabeth Morgan. There were eleven children, six of whom are still living. His parents preceded him years ago.

Brother Morgan was married in 1896 to Miss Christina Hoover. This most devoted companion is left bereft of as true a husband as ever lived. They were truly wedded. May the Lord comfort her now.

W. P. BUCKNER.

#### MRS. MARTHA NEALE SHACKELFORD.

Mrs. Martha Neale Shackelford was born near Parkersburg, West Virginia. In early life she came with her parents to Lafayette county, Missouri, where she grew to womanhood. When a child she gave her heart to Christ and her Christian life was characterized by loving service. She was married to Rev. John C. Shackelford, and for nearly fifty years she filled the place of a Methodist preacher's wife. Her special work was to minister to the poor, the sorrowing and the sick.

On December 2, 1907, she died at her home in Sweet Springs, Missouri, being about 74 years old. Her funeral was conducted by Rev. A. B. Appleby, assisted by Rev. S. G. Welborn and Rev. J. C. Diggs. In the beautiful cemetery at Sweet Springs her body awaits the resurrection.

#### MRS. A. R. FARIS.

Sister Mary Alice Page Faris was born in Salina county, Missouri, June 1, 1868, and in January, 1899, was married to the Rev. A. R. Faris. To this happy union three children were born. After a severe illness, which was prolonged with great suffering, on June 11, 1908, she passed to her heavenly home.

Her life from childhood was beautiful in its devotion to loved ones, to friends and to God. From the time she reached womanhood, having been converted in early life, she gave herself unselfishly to the work of the church. As teacher in the Sunday School, Junior Epworth League superintendent, officer in the Woman's Home Mission Society and in the Woman's Foreign Missionary Society she always displayed great fidelity and efficiency.

Sister Faris was a devoted wife and mother and also a devoted Christian. Her home was one of hospitality; her heart full of sympathy; possessed of a happy, cheerful disposition she scattered sunshine and gladness. Her life of faith, hope and love is enshrined forever in the lives of those she loved and served on earth. She lived for others and her memory is blessed. She was laid to rest in the cemetery at Marshall, Missouri. The funeral services were conducted by Dr. Z. M. Williams and Rev. J. E. McDonald.

# MORRISVILLE COLLEGE

Our Southwest Missouri Conference School, located in the Ozarks, northwest of Springfield. Situation high and salubrious, rural, free from city distractions and temptations.

A purely school town. No saloons or dives within twenty miles.

Cost of living low; farmers' prices. Board, fuel, lights, \$2.50 per week, making total expense of schooling one-third lower than at the great majority of schools. State schools with free tuition do not make total expenses as low as our Conference School.

Scarritt Institute at Neosho to be merged with this school by order of conference.

Co-educational. Ladies Dormitory under experienced management, aided by excellent lady teachers.

Sixteen instructors and teachers, strong university trained specialists in each department.

Exceptional Music and Expression departments, able teachers of long experience, Orchestra, College Band, Glee Club, etc.

Graduates prominent in university and professional life, from Missouri to California. Four graduates won distinction or fellowship in Vanderbilt University last year. "No school is doing better work than Morrisville," says a leading professor.

Nine-tenths of the strong men of the past of the nation have been trained in small schools of our type.

Do you intend to Teach? The desirable positions require college training. Normals do not produce one-tenth of the teachers; nor fill the first places.

Are you concerned for the environment of your children while in school? Do not send them to saloon towns.
